**Human rights violations in Libya
and its impact on the fall of the
rule of President Muammar
Gaddafi 2011**

Abstract

The research aims to shed light on the abuses practiced by President Muammar Gaddafi in Libya (1969-2011) with the principles of human rights in Libya, although Gaddafi declared that the people is the source of all authorities, but it is, in fact, committed clear violations of human rights, which led to a popular revolution which ended with death Gaddafi on the twentieth of October of 2011 ,with external assistance, most notably NATO to receive the Transitional National Council ruling.
