Uprising in East Germany

1953

**Asst .Prof. Dr. . Hussein Abdel-Qader Mohi AL- Tamimi
Researcher. Saad Ali Hassan AL-Asadi**

College of Arts / University of Basrah

Abstract

The purpose of the research is to study the uprising of East Germany in 1953, which is one of the uprisings job then and return their importance as they seek to racist time and place, On the point of time it erupted in a period in which the Cold War has crystallized in Mlhod between the two camps east and west, in addition to that she was one of the first uprisings in Eastern Europe and that has raised fears the Soviets that affect the rest of the Soviet influence in Eastern Europe, and the place they erupted in the area is very important, a Germany which was then the cause of the outbreak of two world wars and the strategic task was teased competition and a struggle for control for strategic reasons, was the United States believes that Germany is generally the wall real hard, which can be a strong barrier generally more communist expansion, while the Soviets wanted to East Germany starting point for dissemination of communism toward Western Europe, and had these two forces the ability to decide the fate of the world and that appeared on both sides of the balance power, and the back of what is known (the double polar) , in spite of the Uprising ended at The hand of Soviet , but has Achieved many Results.
